

## Yes, EVERY Child Fund Membership Application Form

*The Children's Museum of Memphis is a private, nonprofit organization that receives no taxpayer funding. The Yes, EVERY Child (YEC) fund was established in 1990 allowing families who need assistance to apply for a free one-time membership for the museum.*

*The YEC committee reviews applications as they are received. Once funding is exhausted each fiscal year, no more memberships will be issued.*

### Please read the following YEC process guidelines:

- Membership is for children under the age of 12 who reside with the adult/adults applying for the YEC program.
- YEC memberships are for Memphis and Shelby County residents only.
- A copy of valid I.D. is required with application.
- A copy of current MLGW bill or proof of government assistance that matches name and address of applicant is required. (Acceptable proofs of government assistance include but are not limited to-copy of EBT card, most recent unemployment documentation, social security or welfare documentation.)
- If approved for the membership, membership cards will arrive via mail no later than 2-3 weeks from date application was received.
- Memberships are intended for the named adults and their children. Members are not allowed to share their membership with another household or family.
- Memberships are non-transferable and may not be upgraded or altered.
- A valid photo I.D. is required each time the membership is used. Cardholders will show membership card and I.D. to cashier when checking in.
